

THE FLAG PROJECT

Goals

- * Learn about a country and what its flag represents
- * Work together as a group to produce something of high quality that each member of the group is proud of

Objectives

- * Each student will work in a group to create a scale version of a flag of one American country
- * Each group will present what it learned to the rest of the class
- * Each student will, individually, present a report to the class in both written and spoken form

Assessment

GROUP GRADES

FLAG – 100 points

- * accurately represented – appropriate color, size, proportion
- * attention to detail – straight lines, no drips, neat
- * general appearance – pleasing to the eye

GROUP PRESENTATION – 25 points

- * everyone participates
- * engaging, fun and informative

INDIVIDUAL GRADES

REPORT – 100 points

- * third draft will be graded using report rubric (100 points)

PRESENTATION – 25 points

- * follows Social Studies Dept. presentation rubric
- * includes information you submitted in your individual report
