Assignment book

Website use

- * Students will be expected to visit and use my website on a weekly basis. In order to access this site from school you will need to submit and adhere to your Responsible Use Policy (RUP). The school and town library both provide free Internet access. You will need to budget your time to use these resources if you do not have Internet access at home. I will post all classroom materials, calendars, assignments, pictures, music, etc. Starting in October you will also be required to take some quizzes online. Your first assignment is already posted there.
