

Due: Tuesday, September 7.

Complete a hand drawn map of one of the Asian countries listed below

Label all the bordering countries unless it is an island nation

Include: The capital, two additional cities, and two major physical features (for example, a big mountain, an ocean, a major river, etc.)

You must follow the map standards (on the back)

You will complete this assignment the same way at the beginning of each quarter when we start a new geographic unit. Save this sheet to remind yourself of the assignment.

China
